

Roundtable 2

Financing the modernization of agribusiness SMEs: access to public funds and private sources of credit

- Government - Increasing advisory capacities to serve the agri-food sector
- Banks - Financial sector should invest in working with agribusinesses, it will pay back!
- Beneficiaries - Do proper financial management and accountancy
- Overall - Trust building and dialogue among all stakeholders

- EBRD will explore possibilities to partner EC to extend advisory services to agri SME`s in the region
